Spencer is frustrated and is pushing for this to progress. Re: Vaping Legislation 2128, the Health Committee Meeting is this Thursday 12/13 @ 2pm at SC Legislature. Please direct emails with your opinion to Leg. Spencer. The vote is 12/18.

6. Community Participation

- a. Susan Matthews – Post Office landscaping still not being maintained. Post Office leases that property. Could the Highway Department take over that area of park/corner? Suggestion from Linda: reach out to Steve Jimenez with Kevin Orelli’s office and the Town can get involved.
- b. Jane Irving – the Greenlawn sign at the corner of Pulaski looks wonderful with the layered plantings, thank you to Margaret!
